All addenda issued shall be incorporated into the resulting contract.

2. Scope

The furnishing and delivery GROCERIES for various cafeterias of the DOE Statewide as described and specified herein shall be in accordance with these Special Conditions, the Specifications, and the General Conditions AG-008.

3. Federal Guidelines

USDA is an equal opportunity provider and employer.

4. State's Commitment

Pursuant to Section 3-121-6, HAR, it is mandatory that all DOE cafeterias purchase from price lists issued by the DOE Procurement and Contracts Branch. When quality level or product design is not suited to a cafeteria's purpose, however, an exception to purchase outside of the price list may be granted to such cafeteria by the DOE Procurement and Contracts Branch (hereafter referred to as "PCB").

5. Contract Administrator

For purposes of this contract, Ms. Glenna Owens, Director of the DOE, School Food Services Branch or her duly authorized representative or successor in office is designated Contract Administrator (hereinafter referred to as "CA"). She can be contacted by telephone at (808) 733-8400, by fax at (808) 735-6262 or via e-mail at **Glenna_Owens@notes.k12.hi.us**.

The CA is responsible for:

- the terms, conditions, quantities, specifications, scope of services, other contract terms, and all decisions relating to the contract;
- monitoring the Contractor's work, documenting that Contractor maintains the required insurance coverage (if applicable), resolving contract disputes and discrepancies, evaluating the work of the Contractor, assuring the services or goods are delivered as required in the contract, and processing payment for services rendered; and
- notifying PCB in the event of change in scope of work, change in the performance period, increase or decrease in total compensation, and/or changes in any other contract terms.

The CA has designated Ms. Joy Paulo Point-of-Contact (hereafter referred to as "POC") for this contract. As such, the POC should be the initial contact on all matters related to this contract. She can be contacted by telephone at (808) 733-8400, via facsimile at (808) 735-6262, or via e-mail at **Joy_Paulo@notes.k12.hi.us**.

6. Award Period

BIDDER INFORMATION

7. Bidder's Authority to Bid

The DOE will not participate in determinations regarding a bidder's authority to sell a product or perform a service. If there are any questions or doubts regarding a bidder's right or ability to obtain and sell a product or to render a service, the bidder should resolve those issues prior to submitting a bid. If the bidder's offer meets specifications and is acceptable and the bid price submitted is the lowest bid, the contract will be awarded to that bidder.

8. Bidder Qualification

Authorized Distributor

At the time of bidding and during the award period, bidder shall be a manufacturer-authorized distributor of all line items offered. As evidence of this, bidder may be requested to provide documentation from the manufacturer that verifies bidder's status as an authorized distributor.

Warehousing/Delivery Capabilities

At the time of bidding and during the award period, bidder shall maintain a Hawaii-based wholesale or retail business with a permanent office and be compliant with the current Good Manufacturing Practices and have a warehouse capable of stocking an inventory of products. Except for the islands of Molokai and Lanai, this facility shall be located on the island specified on the Offer. Bidder shall designate at least one employee or group of employees as the point of contact for this award. This individual or group shall be capable of answering questions, resolving problems, and providing sales, ordering, and follow-up assistance. As evidence of this, bidder shall provide information regarding its local facility on the appropriate offer page.

The DOE reserves the right to visit and inspect the bidder's warehouse facility to determine acceptability under this requirement.

Bidder shall be capable of delivering products awarded to the various cafeterias on the island(s) specified. Except for Hana and the islands of Molokai and Lanai, deliveries shall be scheduled for at least two (2) non-consecutive business days per week per district or geographical area. (Note: Friday and Monday are considered "consecutive business days" since no business is transacted on Saturday and Sunday.) Bidder shall provide delivery information on the appropriate offer page. At the time of award, the DOE may negotiate the number of delivery days based on the actual amount of the award and the type of products awarded.

In compliance with Title 11, Chapter 12, Hawaii Administrative Rules (HAR) related to Food Safety and Sanitation, deliveries of frozen products shall be made in vehicles with refrigeration systems capable of maintaining the proper frozen state of products delivered.

Bidder shall provide the number of refrigerated delivery vehicles to be used to service this project and the year, make, model number, and license number of refrigerated delivery vehicles on OF-12 for each Island Bidder is bidding. If bidding on multiple Islands, Bidder shall make copies of OF-12 and fill out for each Island they are bidding on.

Financial Ability

The State reserves the right to inquire if the prospective bidder has the financial ability, resources, skills, capability, and business integrity necessary to perform the work. The State may submit questions or request information in writing, and the unreasonable failure of the bidder to promptly supply answers or the requested information may be grounds for a determination of non-responsibility. The State may consider the response or other factors in its review. Thereafter, pursuant to H.R.S. §103D-310 and H.A.R.

SPECIAL CONDITIONS

IFB D10-114

§3-122-108 and 109, a determination of responsibility or non-responsibility of a bidder to perform the work called for in this solicitation shall be made by the procurement officer on the basis of available information. If the bidder is found to be not fully qualified and able to perform the intended work, a written determination of non-responsibility shall be made by the head of the purchasing agency or their designee.

Failure on the bidder's part to meet all of the above-listed requirements may result in rejection of bid. Further, the DOE reserves the right to reject the bid of any bidder whose past performance has been deemed unsatisfactory, as evidenced by significant instances of documented failure to deliver and/or failure or refusal to resolve complaints

9. Responsibility of Bidders

Bidder is advised that if awarded a contract under this solicitation, Bidder must furnish proof of compliance with the requirements of §103D-310(c), HRS as a pre-requisite to receiving a contract:

2. Chapter 383, unemployment insurance;
3. Chapter 386, workers' compensation;
4. Chapter 392, temporary disability insurance;
5. Chapter 393, prepaid health care; and

Bidder should refer to the "Contract Award" provision for further information regarding the above-mentioned requirements.

BID PREPARATION

10. Offer Page OF-1

Bidder is requested to submit the bid under the company's exact legal name as registered with the Department of Commerce and Consumer Affairs, if applicable, and to indicate exact legal name in the appropriate space on Offer Page OF-1. Failure to do so may delay proper execution of the contract.

The authorized signature on the Offer Page OF-1 shall be an original signature in ink. If unsigned or if the affixed signature is a facsimile or a photocopy, the offer shall be automatically rejected unless accompanied by other material, containing an original signature, indicating the Bidder's intent to be bound.

11. Taxable Transaction

Unless the HRS exempts a person from paying the applicable general excise tax, work to be performed under this solicitation is a business activity taxable under Chapter 237, HRS and Chapter 238, HRS, where applicable. Both out-of-state and Hawaii-based companies are advised that the gross receipts derived from this contract are subject to the general excise tax imposed by Chapter 237, HRS, at the current rate and, where applicable, to tangible property imported into the State of Hawaii for resale, subject to the applicable use tax imposed by Chapter 238, HRS.

The "State of Hawaii Information on Hawaii State Taxes Administered by the Department of Taxation", Publication-1 (Revised 2005) is included herein by reference and available online at <http://www.state.hi.us/tax/pubs/pub1.pdf>.

12. Tax Exempt Transaction

If, however, a Bidder is a person exempt by the HRS from paying the general excise tax and therefore not liable for the taxes on this solicitation, Bidder shall state its tax exempt status and cite the HRS chapter or section allowing the exemption.

For evaluation purposes, pursuant to §103D-1008, HRS, a tax-exempt bid submitted in response to a solicitation shall be increased by the applicable retail rate of general excise tax and the applicable use tax. Under no circumstance shall the dollar amount of the award include the aforementioned adjustment.

13. Bid Price

Unit bid prices shall be based on delivery to destination as follows:

- for Oahu, Hawaii, Maui, and Kauai: unit bid prices shall be based on delivery to school cafeteria; unit bid price shall, upon school's request, include the stacking of delivery items in a previously-cleared storage area;
- for Molokai: unit bid prices shall be based on delivery to Kaunakakai dock;
- for Lanai: unit bid prices shall be based on delivery to Lanai Airport and/or Lanai dock; and
- for Hana: unit bid prices shall be based on prices at shipping point (pick up and delivery to Hana High and Elementary School will be handled by the current Hana courier service provider).

Unit bid prices shall include any and all other costs incurred, except the Hawaii General Excise Tax. The Hawaii GET shall not be included in the unit bid price; GET shall be added to the invoice as a separate line item. On the last of the Offer pages, bidder must indicate the exact percentage of Hawaii General Excise Tax to be assessed on all purchases against this agreement.

Hawaii Container fee and deposit charge shall be included in the unit bid price for all eligible beverage containers.

Bid prices submitted shall be rounded up to the nearest thousandth of a cent (i.e., 3 decimal places or .000), if applicable. All prices submitted shall be based on the units and packaging indicated and shall be the all-inclusive cost to the State; no other charges will be honored. When the bidder's packaging varies from that stated on the offer, bidder shall include packaging information for product bid and the unit bid price shall be based on that package size. The DOE will make the adjustments necessary for evaluation purposes. The DOE reserves the right to reject a product if packing varies significantly from that specified.

14. Manufacturer/Brand Name and Product Number

Bidder shall provide the name of the manufacturer or brand, the manufacturer's product code number, the bidder's label or brand name, and/or any other identifier(s) of each product offered. Failure to do so or the inclusion of remarks such as "as specified" may be sufficient grounds for rejection of bid. If additional space is needed to provide complete product identification, bidder may attach a separate sheet for that purpose. Bidder must also indicate alternate packaging information if other than the packaging listed. The DOE will make necessary adjustments for evaluation purposes.

If any of the called-for elements of product information are missing from the bidder's offer, the DOE will be unable to determine acceptability of products bid. No bidder will be allowed to clarify product identification after bid opening. This is to assure that all bids are submitted under the same conditions and with no opportunity for one bidder to have an advantage over any other bidder after exposure of offers.

15. Hawaii Products Preference

Hawaii Products Preference shall not be factored into any award subject to this solicitation.

16. Product Storage Facility and Handling

The storage facility and handling of food products shall be in compliance with the Current Good Manufacturing Practices. On or about Friday, March 19, 2010: All products approved by the DOE as an acceptable product shall be listed on an addendum to be issued prior to bid opening and emailed to all parties that have registered. Any bids for products that have not been pre-approved as acceptable will be automatically rejected.

SPECIAL CONDITIONS
IFB D10-114

The burden of proof as to the comparative quality and suitability of alternate products shall be upon the bidder. The DOE shall be the sole judge of acceptability of alternate products and its decision shall be final.

When the product offered is a privately labeled product, a permanent pre-printed impression on the container or on the product itself must identify the product. A label affixed by the manufacturer to identify the product is also acceptable. The mere attaching of an adhesive label by the bidder will not be considered positive identification.

19. Product Information and Sample

Sample products, product brochures and other information submitted shall become the property of the DOE and may be retained for future reference.

The DOE will be the sole judge as to the comparable quality and acceptability of the proposed item and its decision shall be final. Any item determined by the DOE to be an acceptable equal will be listed in an addendum issued prior to the bid opening date.

Before submitting a proposal, each bidder must:

1. examine the solicitation documents thoroughly for defects and questionable or objectionable material. Solicitation documents include this IFB, any attachments, plans referred to herein, and any other relevant documentation. Bidder shall submit offer using the exact forms or reproductions of such forms as provided and as otherwise instructed by this IFB. The specifications, Special Conditions, General Conditions and other documents referenced in or attached to the offer shall be considered a part of the offer submitted, whether or not attached to the offer at the time of submission. Such documents shall not be altered in any way; any alterations so made by the bidder may result in rejection of the offer.

An offer that contains any omission, erasure, addition not called for, conditional offer or irregularity of any kind may be rejected. Corrections, if necessary, shall be made by lining out the materials to be corrected and by inserting the correction as close to the line-out as possible. Every such correction must be initialed by the person who signed the offer.

Bids will be received only until the hour and date set for the opening. Whether or not offers are opened exactly at the established deadline, none will be received after that time. Unless otherwise stated, bidder shall submit only one (1) offer. If more than one offer is submitted, all offers shall be rejected for that item.

21. Confidential Information

If a Bidder believes that any portion of his proposal contains information that should be withheld as confidential, then the PCB should be so advised in writing.

Bidder shall request in writing nondisclosure of designated trade secrets or other proprietary data to be confidential. Such data shall accompany the bid, be clearly marked, and shall be readily separable from the bid in order to facilitate eventual public inspection of the non-confidential portion of the bid.

Pursuant to Section 3-122-58, Hawaii Administrative Rules (HAR), the head of the purchasing agency or designee shall consult with the Attorney General and make a written determination in accordance with Chapter 92F, Hawaii Revised Statutes (HRS). 26. Method of Award

In case of error in the extension of the total bid price, the unit bid price shall govern. The Procurement Officer shall so correct the error. In cases of difference in packaging size, packing, or yield, award shall be made to the responsive and responsible bidder submitting the lowest evaluated unit bid price.

Normally, award shall be made within 60 calendar days after opening but in no case will award be made until all necessary investigations are made.

The Superintendent reserves the right to cancel or reject this solicitation or all offers in whole or in part when it is in the best interest of the Department or to award the contract to the next lowest bidder or may publish another call for tenders, if the lowest bid is non-responsive to the Department's needs.

AWARD EXECUTION

28. Price List Award

Formal written contracts and performance bonds will not be required for awards made in response to this bid solicitation. Successful bidders will receive "Notice of Award by Price List" letters to which will be attached the price list indicating item(s) awarded to the successful bidder. This method of award does not waive compliance with the Specifications, Special Conditions, and General Conditions, Form AG-008.

Pursuant to Section 3-121-6, HAR, it is mandatory that schools and offices purchase from price lists issued by the DOE PCB. When quality level or product design is not suited to their purpose, however, an exception to purchase outside of the price list may be granted to such schools and offices by the DOE, PCB.

No work shall be undertaken by the successful bidder prior to issuance of a Notice of Award. The DOE is not liable for any work, costs, expenses, loss of profits, or any damages whatsoever incurred by the Contractor prior to official starting date.

29. Responsibility of Contractor

The following documents shall be submitted to the DOE, PCB as proof of compliance with the above-referenced requirements. Each certificate must be valid for six (6) months from the most recent approval date.

- instructions & form: http://hawaii.gov/labor/forms/LIR27_11-29-04.pdf

- <http://www.ehawaii.gov/dcca/cogs/exe/cog.cgi>

30. Hawaii Compliance Express.

Alternately, instead of separately obtaining these certificates from each of the respective State departments, Contractors may choose to obtain a *Certificate of Vendor Compliance* through the Hawaii Compliance Express (HCE). This service allows Contractors to register online through a simple wizard interface at <http://vendors.ehawaii.gov/hce/splash/welcome.html>. The *Certificate of Vendor Compliance* provides current compliance status as of the issuance date, satisfies requirements of Chapter 103D-310(c), HRS, and is therefore acceptable for contracting purposes. Contractors that elect to use HCE services are required to pay an annual fee of \$12.00 to the Hawaii Information Consortium, LLC (HIC).

31. Timely Submission of All Certificates

The above certificates should be applied for and submitted to the DOE, PCB as soon as possible. If a valid certificate is not submitted on a timely basis for award of a contract, an offer otherwise responsive and responsible may not receive the award.

32. Failure to Execute Contract

Failure to execute a contract as required within ten (10) calendar days or such further time as the Superintendent may allow after the bidder has received the contract for execution shall be just cause for the annulment of the award. The Superintendent may award the contract to the next lowest responsible bidder or may call for other offers, whichever is deemed to be in the best interest of the Department.

33. Notice of Award

Work will commence on the official commencement date specified on the Notice of Award, but not earlier than July 1, 2010.

No work will be undertaken by the Contractor prior to the official commencement date on the Notice of Award. The DOE is not liable for any work, contract, costs, expenses, loss of profits, or any damage whatsoever incurred by the Contractor prior to the contract commencement date.

34. Product Storage Facility and Handling

The storage facility and handling of food products shall be in compliance with the current Good Manufacturer Practices guidelines. The food products shall be stored in a sanitary and pest controlled warehouse facility with appropriate storage equipment as specified; freezer for frozen food, refrigerator for cold/chilled food, and dry storage space for non-refrigerated dry/non-perishable food.

In accordance with food safety and sanitation guidelines, the food products shall be rotated in and out of storage by expiration date. The food products shall be in appropriate temperature controlled equipment during transportation and delivery. The Contractor shall insure that frozen and chilled food products are constantly at the same temperature to destination.

35. Product Liability Insurance

Product liability insurance is required to protect all parties in cases when an unsafe, adulterated or contaminated product is used or ingested. The Contractor(s) shall have sufficient coverage to make full restitution for any damage caused and all costs incurred. Certificate of insurance shall be submitted upon request and after award.

36. Product Quality

SPECIAL CONDITIONS
IFB D10-114

Products furnished under this IFB shall be new and of the best quality of its respective kind. Product shall be free from defects that may render it unfit to use. Damaged or rejected products must be immediately removed from the site and replaced with products of the quality required by these specifications. The DOE also reserves the right to reject any product with a short expiration period. Products shall meet all applicable federal and state regulations.

Failure to replace or to remove any rejected product shall not relieve the Contractor from the responsibility imposed upon it by the award. No payment, whether partial or final, shall be construed to be an acceptance of unacceptable products.

The DOE may, at any time and by written order, stop the delivery of products not conforming to these specifications. Such stop order shall not relieve the Contractor of its obligation to complete its work within the award time limits, nor shall it in any way terminate, cancel, or abrogate the award or any part thereof.

37. Ingredients Listing

All successful bidder(s) must provide an Ingredients label and a Nutrition Fact label for each item awarded. This information shall be submitted to the School Food Services Program on or before June 30, 2008. This information will assist the program in developing special menus to accommodate special needs students who require diet modifications.

38. Quantities

Quantities listed are estimates for the period specified. No guarantee to purchase the exact amount listed is intended or implied. For this reason, bidders shall bid only on regular stock items to avoid inventory hardships that could arise from stocking materials for DOE use only. In the event the estimated requirements do not materialize in the quantities listed, such failure shall not constitute grounds for equitable adjustment under this award.

The DOE shall have the right to purchase larger or smaller quantities at the prices bid. The Contractor may, at his option, request approval from the PCB to terminate any line item of the award only when accumulated purchases for that line item exceed the estimated quantity by 25 per cent or more. The request to terminate a line item shall be accompanied by documentation evidencing the accumulated purchases.

The request to terminate must be in writing to the Procurement Officer and shall include a copy of the Contractor's cumulative record of purchases for the line item; the record shall list the ordering agency, transaction date, and quantity sold. The Procurement Officer will determine the termination date within ten (10) days from date of receipt of the request.

39. Sales Reports

On or about March 1, 2011, Contractor shall submit a written sales report to the DOE, SFSB. The report shall list item numbers, a brief description, and the total quantity of each item purchased by the DOE against this award during the period July 1, 2010 to February 15, 2011.

40. Orders

During the award period, orders will be faxed to the Contractors by the various cafeterias of the DOE as products are required. If a Contractor is unable to deliver because product is temporarily out of stock, it shall be the Contractor's responsibility to notify the ordering cafeteria of the shortages on the awarded items at least **three (3) days before the requested delivery date**. All orders received by the Contractor during the award period must be honored and Contractor is obliged to deliver according to the award terms and within the required delivery time.

41. Deliveries

Deliveries of all orders shall be completed within ten (10) business days after receipt of order. For orders

received prior to ten (10) business days of requested delivery dates, Contractor shall deliver on the requested delivery date. Deliveries shall be made to the individual cafeterias at locations designated on the orders. The minimum order for delivery shall be FIFTY DOLLARS (\$50.00). The DOE reserves the right to include products from other price lists as well as non-bid items to meet this minimum order requirement. Orders totaling less than FIFTY DOLLARS (\$50.00) shall be made available on a "will call" basis within 24 hours after receipt of order. Delivery of orders totaling less than \$50.00 may be made at the Contractor's option and according to his delivery schedule. Contractor is required to deliver all items outstanding at the end of the award period if order was received during the award period.

Deliveries to DOE school cafeterias shall be made between 6:00 a.m. and 2:00 p.m. Deliveries shall be scheduled for at least two (2) non-consecutive business days per week per district or geographical area. (Note: Friday and Monday are considered "consecutive business days" since no business is transacted on Saturday and Sunday.) Upon the DOE's request, Contractor shall stack delivered cases in a previously-cleared storage area.

All deliveries of refrigerated food products shall be made from refrigerated vehicles as per food safety and sanitation guidelines. The ordering school reserves the right not to accept deliveries made in non-temperature-controlled vehicles.

42. Failure to Deliver

Contractor shall be obliged to deliver products under this award in accordance with the terms and conditions stated herein. If a Contractor is unable to deliver because product is temporarily out of stock, it shall be the Contractor's responsibility to notify the ordering cafeteria or State agency of the shortages on the awarded items at least three (3) days before the requested delivery date. Contractor shall then obtain prior approval from the DOE, School Food Services Branch and the ordering cafeteria to deliver an acceptable substitute, at the same bid price and under the same terms and conditions of this award. It shall be the Contractor's responsibility to obtain such substitute. In the event a Contractor consistently needs to substitute or refuses to substitute products, the DOE reserves the right to assess liquidated damages or to terminate the award and/or initiate the debarment process pursuant to Chapter 3-126, Legal and Contractual Remedies, HAR.

43. Lack of Funds

Pursuant to Section 103D-309, HRS, except in certain instances, no contract entered into between the Department and the Contractor shall be binding or of any force unless the Superintendent certifies that there is an available unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the contract.

The Department reserves the right to increase or decrease the quantity of any item or to delete any item to be within available funds.

If the contract calls for performance or payment in more than one fiscal year (July 1 to June 30), the Superintendent may certify only that portion of the total funds allocated to satisfy the Department's obligations for payments in the current fiscal year. In that event, the Department will not be liable for the unpaid balance beyond the end of the current fiscal year, and availability of funds in excess of the amount certified shall be contingent upon future appropriations or special fund revenues. All partially-funded contracts shall be enforceable only to the extent that funds are certified as available. The Department agrees to notify the Contractor of such non-allocation at the earliest possible time. The Department shall not be penalized in the event this provision is exercised. This provision is not meant to permit the Department to terminate the contract in order to acquire similar equipment from a third party.

44. Vendor and Product Evaluation

The School Food Services Branch will distribute SFSB Form 12, Evaluation of Goods and Services, to the School Food Service Manager with the issuance of the resulting price list.

Product Evaluation. Upon receipt of complaint, Contractor shall be notified of product quality. Contractor shall follow up with the manufacturer and respond to the School Food Services Branch as to what

remedies have or will be taken to correct the problem. If product quality is not corrected and the complaint(s) persist, steps will be taken to delete product from the price list.

Vendor Evaluation. In the event of complaints regarding Contractor's services (i.e. delivery delays, numerous out of stock, failure to notify manager of none delivery, etc.) the School Food Services Branch will notify the Contractor. Within one (1) week of notification, the Contractor shall take corrective measures to resolve the complaint, and inform the School Food Services Branch of action taken. Should the Contractor consistently receive complaints for poor service or refuses to resolve the complaints, the DOE reserves the right to terminate the contract and/or initiate the debarment process pursuant to Chapter 3-125, HAR, Legal and Contractual Remedies.

In the event the DOE must terminate the contract, the DOE shall provide the Contractor a 30-days written notice of termination.

45. Termination of Contract

The Department reserves the right to terminate the contract for its convenience and/or for non-compliance if the contractor does not fulfill any of the terms and conditions herein and/or if the Department is not satisfied with the services performed by the Contractor.

In any event, the Department must provide that the Contractor is given a 30-days written notice of termination.

PAYMENT

46. Invoicing

Upon delivery of products, Contractor shall forward an original and one (1) copies of the invoice directly to the DOE cafeterias or the State agency as listed on the order. Contractor's invoices shall include product descriptions exactly as stated on the DOE price list. Contractor's invoices shall also include the general excise tax.

47. Payment

Section 103-10, HRS provides that the State shall have 30 calendar days after receipt of invoice or satisfactory completion of contract to make payment. For this reason, the DOE will reject any bid submitted with a condition requiring payment within a shorter period. Further, the DOE will reject any bid with a condition requiring interest payment greater than that allowed by Section 103-10, HRS, as amended.

The State will not recognize any requirement established by the Contractor and communicated to the State after award of the contract which requires payment within a shorter period or interest payment not in conformance with statute.

APPROVALS

48. State's General Conditions

Nothing in the Special Conditions shall supersede the General Conditions attached hereto. The Special Conditions shall serve to supplement the General Conditions, except where a conflict exists between the General Conditions and Special Conditions, in which case the Special Conditions shall apply.

49. Approvals

Any agreement arising out of this offer may be subject to the approval of the Department of the Attorney General as to form, and is subject to all further approvals, including the approval of the Governor, required by statute, regulation, rule, order, or other directive.

Instructions for completing Exhibit A:

A value must be submitted for each required nutrient per one serving, edible portion, in the unit of measure indicated, and rounded to three decimal places indicated on this form.

Nutrient data are to be submitted on the "**as served**" basis for any food that does not have ingredients added in preparation of fat absorbed during preparation.

If a food item gains or loses **fat** during preparation, provide the percentage of **fat** gain or loss when the product is prepared:

_____ +/- change

If a food item gains or loses **moisture** during preparation, provide the percentage of **moisture** gain or loss when the product is prepared:

_____ +/- change

Fat may be gained or lost in cooking of some foods, thereby changing the caloric value of food. Methods of preparation such as breading, frying or baking affect this fat gain or loss. For example, chicken baked in the oven will lose fat during cooking, while batter-coated or breaded chicken that is deep-fried will gain fat during cooking. If fat is absorbed or gained, calories will be increased. If fat is lost, calories will be decreased. In recipes where a fat gain or loss occurs, the fat changes are limited to those ingredients that are cooked together. For example, a fat in gain occurs in deep-frying of French Fries because fat is absorbed by the ingredients in the food item. Fat is lost from a broiled hamburger patty in which the fat has been drained.

This information will be used to develop and analyze the nutritional content of the recipe.

GENERAL CONDITIONS

1. Coordination of Services by the STATE. The head of the purchasing agency ("HOPA") (which term includes the designee of the HOPA) shall coordinate the services to be provided by the CONTRACTOR in order to complete the performance required in the Contract. The CONTRACTOR shall maintain communications with HOPA at all stages of the CONTRACTOR'S work, and submit to HOPA for resolution any questions which may arise as to the performance of this Contract. "Purchasing agency" as used in these General Conditions means and includes any governmental body which is authorized under chapter 103D, HRS, or its implementing rules and procedures, or by way of delegation, to enter into contracts for the procurement of goods or services or both.
2. Relationship of Parties: Independent Contractor Status and Responsibilities, Including Tax Responsibilities.
 - a. In the performance of services required under this Contract, the CONTRACTOR is an "independent contractor," with the authority and responsibility to control and direct the performance and details of the work and services required under this Contract; however, the STATE shall have a general right to inspect work in progress to determine whether, in the STATE'S opinion, the services are being performed by the CONTRACTOR in compliance with this Contract. Unless otherwise provided by special condition, it is understood that the STATE does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with the STATE.
 - b. The CONTRACTOR and the CONTRACTOR'S employees and agents are not by reason of this Contract, agents or employees of the State for any purpose, and the CONTRACTOR and the CONTRACTOR'S employees and agents shall not be entitled to claim or receive from the State any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to state employees.
 - c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR'S performance under this Contract. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Contract.
 - e. The CONTRACTOR shall obtain a general excise tax license from the Department of Taxation, State of Hawaii, in accordance with section 237-9, HRS, and shall comply with all requirements thereof. The CONTRACTOR shall obtain a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of the Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid and submit the same to the STATE prior to commencing any performance under this Contract. The CONTRACTOR shall also be solely responsible for meeting all requirements necessary to obtain the tax clearance certificate required for final payment under sections 103-53 and 103D-328, HRS, and paragraph 17 of these General Conditions.
 - f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR'S employees and agents that is or may be required by law, and for payment of all premiums, costs, and other liabilities associated with securing the insurance coverage.

- g. The CONTRACTOR shall obtain a certificate of compliance issued by the Department of Labor and Industrial Relations, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- h. The CONTRACTOR shall obtain a certificate of good standing issued by the Department of Commerce and Consumer Affairs, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- i. In lieu of the above certificates from the Department of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, the CONTRACTOR may submit proof of compliance through the State Procurement Office's designated certification process.

3. Personnel Requirements.

- a. The CONTRACTOR shall secure, at the CONTRACTOR'S own expense, all personnel required to perform this Contract.
- b. The CONTRACTOR shall ensure that the CONTRACTOR'S employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Contract, and that all applicable licensing and operating requirements imposed or required under federal, state, or county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied.

4. Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

5. Conflicts of Interest. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (i) the CONTRACTOR obtains the prior written consent of the STATE, and (ii) the CONTRACTOR'S assignee or subcontractor submits to the STATE a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the Comptroller of the State of Hawaii, as provided in section 40-58, HRS.

- a. Recognition of a successor in interest. When in the best interest of the State, a successor in interest may be recognized in an assignment contract in which the STATE, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- (1) The Assignee assumes all of the CONTRACTOR'S obligations;
- (2) The CONTRACTOR remains liable for all obligations under this Contract but waives all rights under this Contract as against the STATE; and
- (3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

- b. Change of name. When the CONTRACTOR asks to change the name in which it holds this Contract with the STATE, the procurement officer of the purchasing agency (hereinafter referred to as the "Agency procurement officer") shall, upon receipt of a document acceptable or satisfactory to the

Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.

- c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.
 - d. Actions affecting more than one purchasing agency. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
- 7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
 - 8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
 - 9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
 - 10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.
 - 11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
 - 12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

- (1) Cancel the stop performance order; or
 - (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.
- b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:
- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
 - (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.
- c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.
- d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

- a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.

- c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:

- (1) Any completed goods or work product; and
- (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

- d. Compensation.

- (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
- (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.
- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the

total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

- a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:
 - (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:
 - (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;
 - (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or
 - (C) Within such further time as may be allowed by the Agency procurement officer in writing.
 - (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;
 - (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and
 - (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.
- b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.
- c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.
- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.

- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:
 - (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
 - d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.
 - e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
 - f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
 - g. CPO approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 or ten per cent (10%) of the initial contract price, whichever increase is higher, must receive the prior approval of the CPO.
 - h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
 - i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By

proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

- b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
- c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.
- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:
 - (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - (2) By unit prices specified in the Contract or subsequently agreed upon;
 - (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
 - (4) In such other manner as the parties may mutually agree; or
 - (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.
- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:
 - (1) Description of performance (Attachment 1);
 - (2) Time of performance (i.e., hours of the day, days of the week, etc.);
 - (3) Place of performance of services;

- (4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;
 - (5) Method of shipment or packing of supplies; or
 - (6) Place of delivery.
- b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.
 - c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
 - d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
 - e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.
24. Confidentiality of Material.
- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.
 - b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.
25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.
26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.
27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:
- a. The cost or pricing data, and
 - b. A state contract, including subcontracts, other than a firm fixed-price contract.
29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.
- If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.
30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.
31. Records Retention.
- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
 - (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.
32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.
33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

34. Governing Law. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Contract shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.
35. Compliance with Laws. The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.
36. Conflict Between General Conditions and Procurement Rules. In the event of a conflict between the General Conditions and the procurement rules, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.
37. Entire Contract. This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the STATE and the CONTRACTOR other than as set forth or as referred to herein.
38. Severability. In the event that any provision of this Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Contract.
39. Waiver. The failure of the STATE to insist upon the strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the STATE'S right to enforce the same in accordance with this Contract. The fact that the STATE specifically refers to one provision of the procurement rules or one section of the Hawaii Revised Statutes, and does not include other provisions or statutory sections in this Contract shall not constitute a waiver or relinquishment of the STATE'S rights or the CONTRACTOR'S obligations under the procurement rules or statutes.
40. Pollution Control. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the STATE and all other appropriate state, county, or federal agencies as required by law. The Contractor shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the STATE determines that this Contract requires an adjustment of the time for performance, the Contract shall be modified in writing accordingly.
41. Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-205.5, HRS, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body.
42. Confidentiality of Personal Information.
- a. Definitions.
- "Personal information" means an individual's first name or first initial and last name in combination with any one or more of the following data elements, when either name or data elements are not encrypted:
- (1) Social security number;
 - (2) Driver's license number or Hawaii identification card number; or

- (3) Account number, credit or debit card number, access code, or password that would permit access to an individual's financial information.

Personal information does not include publicly available information that is lawfully made available to the general public from federal, state, or local government records.

"Technological safeguards" means the technology and the policy and procedures for use of the technology to protect and control access to personal information.

b. Confidentiality of Material.

- (1) All material given to or made available to the CONTRACTOR by the STATE by virtue of this Contract which is identified as personal information, shall be safeguarded by the CONTRACTOR and shall not be disclosed without the prior written approval of the STATE.
- (2) CONTRACTOR agrees not to retain, use, or disclose personal information for any purpose other than as permitted or required by this Contract.
- (3) CONTRACTOR agrees to implement appropriate "technological safeguards" that are acceptable to the STATE to reduce the risk of unauthorized access to personal information.
- (4) CONTRACTOR shall report to the STATE in a prompt and complete manner any security breaches involving personal information.
- (5) CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR because of a use or disclosure of personal information by CONTRACTOR in violation of the requirements of this paragraph.
- (6) CONTRACTOR shall complete and retain a log of all disclosures made of personal information received from the STATE, or personal information created or received by CONTRACTOR on behalf of the STATE.

c. Security Awareness Training and Confidentiality Agreements.

- (1) CONTRACTOR certifies that all of its employees who will have access to the personal information have completed training on security awareness topics relating to protecting personal information.
- (2) CONTRACTOR certifies that confidentiality agreements have been signed by all of its employees who will have access to the personal information acknowledging that:
 - (A) The personal information collected, used, or maintained by the CONTRACTOR will be treated as confidential;
 - (B) Access to the personal information will be allowed only as necessary to perform the Contract; and
 - (C) Use of the personal information will be restricted to uses consistent with the services subject to this Contract.

d. Termination for Cause. In addition to any other remedies provided for by this Contract, if the STATE learns of a material breach by CONTRACTOR of this paragraph by CONTRACTOR, the STATE may at its sole discretion:

- (1) Provide an opportunity for the CONTRACTOR to cure the breach or end the violation; or
- (2) Immediately terminate this Contract.

In either instance, the CONTRACTOR and the STATE shall follow chapter 487N, HRS, with respect to notification of a security breach of personal information.

e. Records Retention.

- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
- (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.
